D.O.B. 9/27/2010

Adj. BW 69 lbs, ratio 97

Adj. WW 751 lbs, ratio 111

Another big stout heavy muscled bull with lots of eye appeal and very correct on his feet and legs. His dam has a great udder with small teats and consistently weans a top calf each year.

Bulls will be on display at Springfield Farm Fest October 7-9. Bulls sell at the Heart of the Ozarks Angus Association Spring Sale 3/10/2012.
