

Select for Cow Power

Coleman Regis 904

7AN330 • 16364794

Sire: Final Answer • MGS: Onward

Our highest demand young sire for 2011, Regis is stacked with maternal strength and displays true shape like most Angus bulls only dream about. Thick, dense and sporting a fantastic rib shape, Regis offers low birth weight with growth, superior soundness and extraordinary cow power.

BC Classic 385-7

7AN332 • 15748956

Sire: BC Classic 443 6807 • MGS: OCC Legend
Classic is just what his name implies — with his classic Angus profile, he's unbelievable in person. Stemming from a noteworthy dam and from the consistent Conley program, Classic sets the stage for super calving at +13 CED along with maternal magic and phenotypic perfection. His calves are stunning!
