

# XX Tested

**Webster's  
defines  
Tested as:**  
*...subjected to  
or qualified  
through testing.*

As this young sire  
has been subjected  
to all the tests that  
a Shepherd Hills  
bull must pass to  
earn the XX brand,  
he has excelled in  
every economically  
important trait that  
we measure.

*Semen available \$12 per straw*

We feel that this son of the immortal Bon View New Design 1407 from a dam that is a full sister to the Select Sires bull GAR Preeminent, is a very balanced sire that has the ability to produce the kind of cattle that will excel in a production driven industry.
