Riley Flat Ideal 839

Murphy Cattle Company will headline their offering with a daughter of OCC Anchor produced from this proven MCC donor who is the dam of MCC Blackout 404, MCC Lookout 530 and the \$10,500 MCC Miss Ideal 03.

WCC KLR Grand Torino 95

A special feature of the sale will include this tremendous maternal sister to the featured WCC and KiamichiLink Herd Sire, WCC KLR Grand Torino 95! She was born 2/7/11 and blends excellent phenotype with a proven pedigree for maternal excellence – Sired by MCC Cupid 414 from a dam sired by Boyd New Day 8005.

Wallace Miss Wix 122

A fancy 1/19/11 daughter of the Genex/CRI sire, MCC Cupid 414, from a dam from the high maternal and proven Miss Wix family. Show heifer and cow prospect from one of the breed's most popular cow families.

Wallace Barbaramere 107

Powerful maternal genetics in this 1/05/11 daughter of the popular Kesslers Frontman R001 from a dam sired by one of the breed's top maternal sires, Dalebanks Extender 6012. This female has added body and mass combined with overall completeness.

Wallace Bess 150

This 4/04/11 daughter of BC Eagle Eye 110-7 sells as a highlight of the heifer calves, from a dam sired by Boyd New Day 8005. She is a maternal sister to the 2011 MO Cattlemen's Bred and Owned Champion!
